*Aca Mrs Uma.*

1. I initiate this letter to formally convey my appreciation on the stellar performance of APS students in the 2020 Class X & XII CBSE examinations.
2. The excellent results have come about due to your School's dedicated and focused approach towards each student. This collaborative team effort of teachers, staff, parents, coordinators and last but not the least students was a unique tailor made model of success for APS's.
3. Please convey my "**Congratulations**" to all at an appropriate forum. May I also request you to host this letter on the School Website for information of all. Please strive to improve the standards of the school in all fields. Team effort is key to success.
4. I am sanguine that the unforeseen academic year 20-21 will again showcase your innovation and adaptability. May I call upon you to challenge the new normal and provide an even better datum in face of adversity.
5. The recent interaction with you all via webinar was very fruitful. I hope the faculty & mgt to address all issues raised during the interaction

*With warm regards,*
